"Meet & Interact with Industry Experts and get trained with advanced hands-on sessions to shape up yourself for better career and better opportunities. "

TechNinzaz |CONFIDENTIAL | 2017

Welcome to TechNinzaz

TechNinzaz is a Premier Coaching Institute founded by Industry Experts, who are passionately dedicated to coach and empower students and corporate employees for the challenges of the competitive Corporate Industry.

Our Vision and Mission:

Vision:
With our boundless Passion and Commitment to empower and enlighten every potential aspirant, our vision is only one; "A Successful Career For Our Students, Today and for the Years to come!"

Mission:
We are on a dedicated mission and have taken up the challenge of empowering and enlightening every young aspirant, who are willing to join the competitive Corporate Marketplace. In order to fulfill that, we facilitate complete Industry Level Trainings, Seminars and Workshops to young aspirants, so that they meet the Industry requirements and are ready to be placed in both IT as well as Non-IT Industries

Our Offerings:

Coach
Technology Courses coaching for all major subjects in BCA /MCA/ BE students.
Core IT Industry Specific Languages (Mobile Apps Dev, Website Development, JAVA, Python and Big Data Analytics)

Educate
IT Projects for grads and working professionals on desired computer language platform which are Industry Centric.

Inspire
"Campus-To-Corporate" (C2C) program and "Corporate Soft Skills" training to boost your skills and help you to get the dream job you always wished for.
